VGA PROXY FORM

2 Sept 2016

Our Association requires a **51% vote** of our total paying members to achieve a quorum so that the Association can vote on important matters. Our by-laws allow for proxies, as required.

Members have three options:

- **Do not provide a proxy.** *If you do not submit a proxy, no further request will be made to solicit a proxy from you.*
- **Name the MAJORITY VOTE** as your proxy for **this** meeting or **every** meeting.
- **Name a specific member** your proxy for **this** meeting or **every** meeting.

You have two options to submit a WRITTEN proxy *by noon on the day of the meeting.*

- Complete this proxy form by checking the box that applies and delivering it to the Information Desk at the VNMP. You may also have a member deliver it to the meeting. Seal your proxy in an envelope with your name on the outside and the word PROXY.
- Or submit your proxy online. Online proxies will be forwarded by email to the Secretary. <http://formsmarts.com/form/1rj3>
